Sri Mulka GOVINDA REDDY.—What are the villages for which electricity has not been provided?

***Dr. R. NAGAN GOWDA.**—I have given a list of villages for which electricity has not been supplied and also the reasons or conditions under which electricity has not been given to the other 44 villages. You will please see the statement in page 22 of the Questions and Answers set.

Sri Mulka GOVINDA REDDY.—In respect of item No. 1 Kadavanakatte village, you have said that the work was deferred because of poor return. When will you take up the work?

Dr. R. NAGAN GOWDA.—When the returns are proper, according to rules, we will take it up.

Sri Mulka GOVINDA REDDY.—For a number of villages you have said that the estimates have not been prepared due to non-receipt of load survey forms. From whom have you to receive those forms?

Dr. R. NAGAN GOWDA.—From the Deputy Commissioner. We have asked them to supply and as soon as we get the forms we will work out and prepare the estimates. It is not our fault. We can only ask them to supply these forms.

Sri Mulka GOVINDA REDDY.—Are the Government aware that discrimination is shown in sanctioning rural electrification schemes? You sanction the schemes for certain villages and you do not sanction in respect of certain other villages.

Dr. R. NAGAN GOWDA.—No discrimination is being made.

Sri Mulka GOVINDA REDDY.—Then, what is the basis on which these schemes are made?

Dr. R. NAGAN GOWDA.—We have allocated a certain sum of money for each one of these districts, and priority of application and proper return will be the criterion.

Sri Mulka GOVINDA REDDY.—Are the Government aware that many villages have applied for the supply of electricity and they have not been included in the list?

Dr. R. NAGAN GOWDA.—I will look into the matter.

ಶ್ರೀ ವಿ. ಮಸಿಯಪ್ಪ,—ಪರಿಶಿಷ್ಟ ಜಲ್ಲಿ ಕೊಟ್ಟಿರತಕ್ಕ ಪಟ್ಟಿಯಲ್ಲಿ 37ನೇ ನಂಬ್ಯೆಯಿಂದ 43ನೇ ನಂಬ್ಯೆಯ ವರೆಗೂ ಎಂದರೆ ಐಮಂಗಲ,ಬಬ್ಬೂರು, ಗೂಳಿಹಾಳು, ಗನ್ನಾಯಕನಹಳ್ಳಿ, ಮೆಟಿಕುರ್ಕೆ, ಪತಿಯನಹಳ್ಳಿ, ಕೋವಿನಹಳ್ಳಿ ಈ ಗ್ರಾಮಗಳವರು ಅರ್ಜಿಕೊಟ್ಟು ಸುಮಾರು ಒಂದು ವರ್ಷದ ಮೇಲೆ ಆಯಿತು ಅಲ್ಲವೇ?

ಡಾ॥ ಆರ್. ನಾಗನಗೌಡ.—37 ರಿಂದ 43 ರ ವರೆಗೂ ಲೋಡ್ ಸರ್ವೇ ಫಾರಂಗಳು ಇಲ್ಲದೇ ಇದ್ದುದರಿಂದ ಅಂದಾಜುಗಳನ್ನು ತಯಾರಿಸಲಾಗಲಿಲ್ಲ. ಅವು ಬಂದೊಡನೆಯೇ ಆ ಕೆಲಸ ಶುರು ಮಾಡುತ್ತೇವೆ. ತಡಪಿನ ಚನ್ನಮ್ಮನಹಳ್ಳಿ ಎಂಬುದಕ್ಕೆ ರಿಟರ್ನ್ ಬರುವುದಿಲ್ಲ; ಆದ್ದರಿಂದ ತೆಗೆದುಕೊಳ್ಳುವುದಕ್ಕಾಗುವುದಿಲ್ಲ.

Sri A. BHEEMAPPA NAIK.—He seems to think that electrification means only lighting. I want to know whether this is all the number or whether applications received include applications for power for irrigation

and whether these applications have also been included.

Dr. R. NAGAN GOWDA.—This is a question dealing with rural electrification.

Sri A. BHEEMAPPA NAIK.—Have you included applications for power for irrigation, is what I am asking.

Dr. R. NAGAN GOWDA.—They are not included.

Rural Indebtedness.

Q.—312. Sri B. V. NARAYANA REDDY (Bagepally-Gudibanda).—

Will the Government be pleased to state :—

(*a*) what the estimate of rural indebtedness of the ryots in Mysore State is;

(*b*) whether a survey has been made;

(*c*) the amount so far advanced by the Central Co-operative Land Mortgage Bank to liquidate the rural indebtedness;

(*d*) the steps they take to liquidate the rural indebtedness in the State;

(*e*) whether they intend to introduce moratorium ?

A.—Dr. R. NAGAN GOWDA (Minister for Agriculture).—

(*a*) About Rs. 24 crores.

(*b*) Yes.

(*c*) Rs. 1,60,13,540 in 8,504 cases up to 30th June 1954.

(*d*) Steps have been taken to organise a Central Land Mortgage Bank at Bangalore and also 80 primary Land Mortgage Co-operative Societies in almost all the Taluks to liquidate rural indebtedness in the State.

(*e*) This may not be necessary at present.

Sri B. V. NARAYANA REDDY—You have said 'yes' to my question (b); is it a survey made at random or in detail, Sir ?

*Dr. R. NAGAN GOWDA.—It is usually difficult to get at the exact amount of indebtedness of a State like this, especially a big State. The statisticians adopt certain methods by which they make a survey and calculate and find out the amount of indebtedness.

Sri B. V. NARAYANA REDDY.—Even according to your statement it is about 24 crores, whereas you have given only Rs. 1,60,00,000 and odd. What are the arrangements you have made for the relief of the rest, Sir ?

Dr. R. NAGAN GOWDA.—We are now discussing the Co-operative Bill and we are getting some money from the Reserve Bank. Rural indebtedness is liquidated to a great extent only through the land mortgage banks and co-operative institutions that are being run in other parts of the country. In Madras and Bombay they are doing like that. We will have to follow the same line of action.

Sri B. V. NARAYANA REDDY.—I would like to know the amount that will be available. I do not want the number or the agency through which you do it.

Dr. R. NAGAN GOWDA.—I have given the amount as 160 lakhs.

Sri B. V. NARAYANA REDDY.—I want to know how you tackle this problem, what is the method adopted to relieve this rural indebtedness ?

Dr. R. NAGAN GOWDA.—One of the ways by which we raise the capital is by issuing debentures. The Reserve Bank can also give us ultimately 2½ crores and we can utilise that amount also, and we can carry on some good work.

Sri B. V. NARAYANA REDDY.—You are going to have two and a half crores, but what about the other 20 crores ?

Dr. R. NAGAN GOWDA.—As I said, we must raise some debentures also.

Sri B. V. NARAYANA REDDY.—You have said: 'this may not be necessary' in reply to my question (*e*); in view of two years of famine and if there is slump, how do you think that the rural people will pay their debts and the necessity for moratorium does not arise ?

Dr. R. NAGAN GOWDA.—Moratorium is connected with a lot of complication. It would cut off even the small credits that the agriculturists need. Moratorium could be adopted only as an extreme measure of solving this problem.

Sri Mulka GOVINDA REDDY.—How many years have the Central Land Mortgage Bank taken to liquidate 160 lakhs of indebtedness, Sir ?
